Important Caution

Before beginning assembly of the product, make sure all parts are present. Compare parts with the box checklist and parts list. If any part is missing or damaged, do not attempt to assemble the product. If any part is missing or damaged, please contact customer service at sofabedservice@163.com.

- Some parts may contain sharp edges. Wear protective gloves if necessary during assembly.
- When using power tools, please start with the minimum power setting to avoid potential damage to the parts.

Safety Guide

- For your safety and to reduce the risk of severe personal injury, the user must read and understand this Safety Guide.
- Assemble each piece only by following the instructions. Using tools or hardware not included in the original packaging, or improper assembly may cause the product to malfunction or create a risk of severe personal injury.
- Assemble on a flat and soft surface, such as carpeting, to avoid scratches or damage.

NOTICE

- Tighten all bolts and screws again within the first two weeks of assembly.
- Check the tightness of all bolts every two months; tighten them if necessary.

Care & Maintenance

- Fluff cushions regularly to maintain their shape and loft.
- Vacuum crevices weekly using a soft brush attachment to prevent dust and soil from settling into the fabric.
- Keep furniture out of direct sunlight and away from heat sources to prevent fading and deterioration.
- Spills should be wiped up immediately. Blot (do not rub) spills promptly with a clean, colorfast, absorbent cloth.
- Always pre-test cleaning agents in a small, inconspicuous area first.

Read & Save These Instructions Before Assembly

- Please separate and identify all parts, making sure you have all parts listed.
- To avoid scratches during assembly, please assemble on a soft mat or similar surface.
- Please assemble step by step and follow the instructions.
- Washers must be used.
- Do not fully tighten each screw and nut until all screws are properly aligned.

Optional: Connection between modules

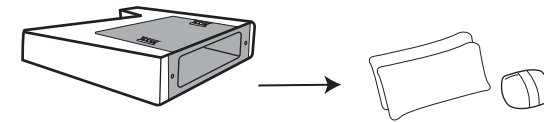

Metal Connectors are used to secure the independent sofa modules together and prevent them from sliding.

If you plan to use connectors: DO NOT install the sofa legs yet. Complete the module connection first, then install the legs (see page 16-20 for details).

If you prefer flexibility: If you wish to move or rearrange the modules easily, you may skip this step and proceed directly to leg installation.
