L Shape Sofa

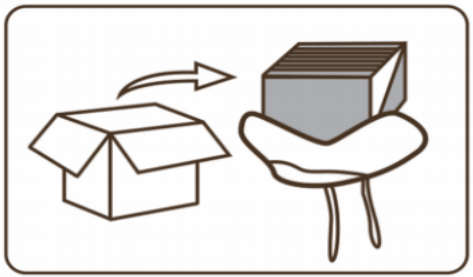

Wish you have a good day!

We are dedicated to blend sponge craftsmanship with modern aesthetics to create beautiful, comfortable, contracted and functional bean bag sofas, sponge recliners, bean bag chairs, sectional sofas and other sponge products. Our products are soft but supportive, contracted stylish yet fashionable.

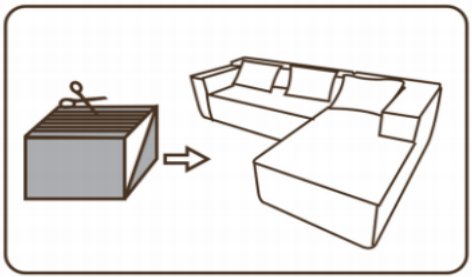

As a young home furnishing brand, is being eager to break the traditional furniture concept and show you a new attitude of life, so that more people can enjoy the softer and more casual furniture products, to realize the double relaxation of body and mind.

Bean Bag Sofa More Comfy & Fun

Instructions for use

1.Pull the vacuum packing from the package.

2.Use scissors to cut the vacuum packing and take out the sofa.

3.Let it stand for 48 hours to wait for the sofa to fully expand. You can also tap it in the sun to make it expand quickly.

This is compressed packing in order to facilitate transportation and distribution. A slight natural raw material odor may occur after opening, which is normal and harmless. Please ventilate the item for 5 days to remove the smell.

Our sofa cushions are filled with high-density foam. The cushions are moderately firm and resistant to sagging after long-term use.Please leave it for 48hrs to get its shape. Also please kindly understand that it willbe hard torepack to the original box once it open. Wish you have a goodday !
