Assembly Instruction

Warm Reminder

If you experience any issues with our product (including missing parts, damage, or not meeting expectations), please contact us. We'll ensure satisfactory assistance within 24hours.

General Guidelines

- Please read the following instructions carefully and use the product accordingly.
- Please keep this manual and hand it over when you transfer the product.
- This summary may not include every detail of all variations and considered steps. Please contact us if further information or assistance is needed.

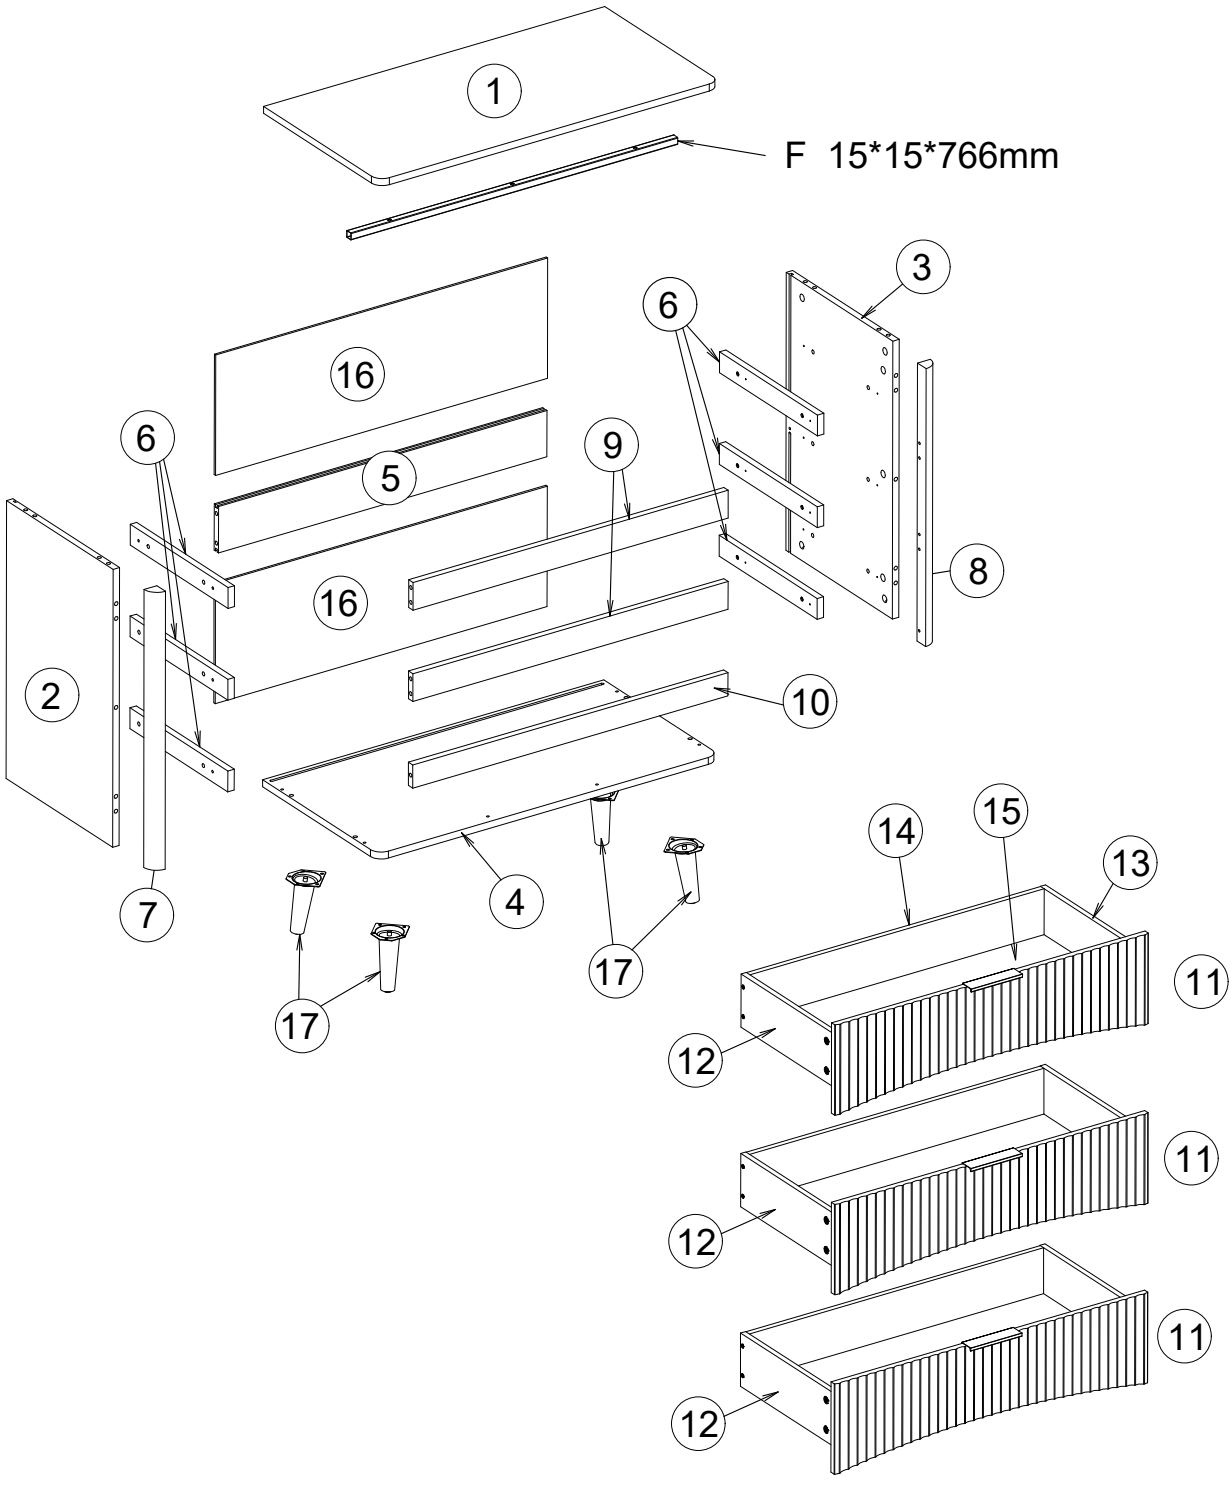

Notes

- The product is intended for indoor use only. It must be assembled and used in accordance with the provisions of the manual. Personal injury and/or damage to the product may occur if the product is used outside of its intended purpose and/or if it has been changed/modified from its original design. The seller does not assume any responsibility or liability for injury or damage caused by incorrect assembly or improper use.
- Avoid long-term exposure to humid environments to prevent mildew.
- Keep the product away from fire sources and high temperatures. Do not expose the product to direct sunlight.
- Do not place any hot objects on the surface of the product.
- If there are any defective or missing parts after unpacking, please cease assembly immediately and contact us.
- Assemble the item on a spacious surface and avoid placing the unwrapped product directly on the ground to prevent damage.
- Do not stand or sit on the wooden boards.
- Wear gloves during the assembly and/or disassembly process to avoid scratches from any sharp edges.
- Match each part and fitting based on the part number in the manual.
- If a part does not match the fitting, please check the manual for clarification.
- During assembly, first loosely align all screws with the corresponding pre-drilled holes, then tighten them one by one.
- Periodically inspect the screw tightness while the product is in use. Retighten if necessary to ensure structural integrity.
- If you accidentally spill water or any other liquid on the surface, immediately wipe it clean with a dry towel.
- Keep the product away from sharp, pointed objects and corrosive substances to prevent damage.
- Place the item on level, solid ground during use.

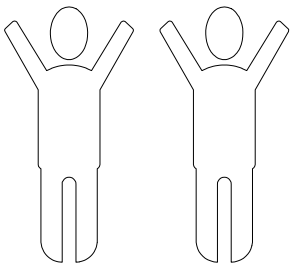

Warnings

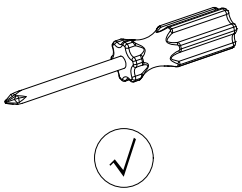

- During assembly, keep all small parts out of the reach of children, as they may be fatal if swallowed or inhaled.
- Children should not climb or play on the product to avoid tipping over and causing serious injury.
- To avoid the potential danger of suffocation, keep all packaging materials (film, plastic bags, foam, etc.) away from babies and children.
- Do not shake or move the product violently during use to avoid tipping over.
