Product Description: Add vintage elegance and extra seating to your dining table, the foot of your bed, your hallway or family room with this versatile Ciao Bella Bench. The unique harp-shaped legs form a beautiful base, along with a burnished brass stretcher. The exquisite black finish has multi-layered rub-through, giving the appearance it is aged gracefully through the decades. The lay-on cushion in Tuscan White is button tufted on one side with French Primitive tufting on the other side for comfort.

Collection Features: Inspired by the small farmhouses that dot the French and Italian countryside and have been in the hands of the same family for generations, Hooker Furniture introduces the rustic Ciao Bella Collection. The whole home collection is an eclectic mix of European farmhouse pieces that have the appearance of furniture that has been refinished multiple times as it has passed through the generations. Ciao Bella includes bedroom, dining room, occasional, home office and accent furniture, and features a finish called Timeworn Gray that accentuates the historical nature of European farmhouses – many of which include a variety of furniture styles that have been added by each generation of owners.

Status: Active

Finish: Black finish. Distressing includes worm holes, rasping, multi-layer rub through and emulsion. Burnished brass hardware.

Features: Lay-on cushion (not attached)

Button tufted on one side
French Primitive tufted on the other side
Levelers

Material: Maple Veneer, Fabric and Metal

Finish Construction: Hooker Furniture utilizes a multiple-step finish process of up to 16 finish steps. This results in an unsurpassed clarity, depth and color richness and durability to our finishes. Through hand-craftsmanship such as rubbing and padding, our finishes feel as good as they look, with a smoothness that is delightful to the touch.

Frame Construction: Hooker Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

Expected Availability: 03/29/2022

Fabric 1: Tuscan White; 100% Polyester; Cleaning Code WS (Clean water-based Stains with water-based cleaning agent, clean oil-based Stains with Solvent cleaner)
