PRODUCT DESCRIPTION

Full foam compression filling. Delivers even, plush, and resilient support for a firm yet comfortable seat that resists sagging,ensuring lasting relaxation.

Oversized dimensions. Spacious seats with ample depth, combined with full foam filling.offer an immersive and cozy reclining experience. The round chaise provides a unique sense of envelopment.

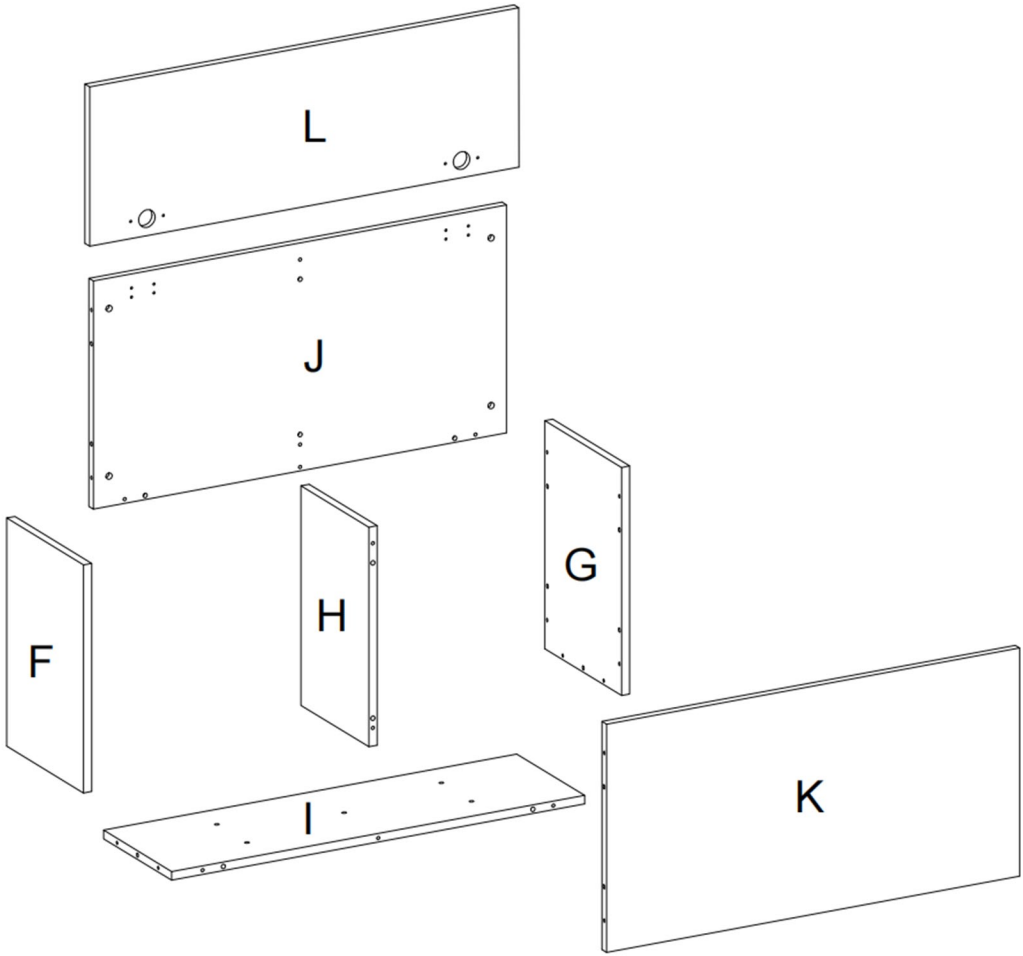

Includes an engineered wood storage cabinet that can be flexibly placedbehind the armless seat as back table, cleverly concealing clutter for "invisible storage" in the living room, maintaining a tidy and aesthetic space.

Strong style-defining power. Its simple silhouette, warm colored fabric,and warm wooden background together define the space's tone, harmoniously blending into various popular styles like modern minimalist, Japandi, and wabi-sabi.

Suits multiple living scenarios. Suitable for daily family gatherings for movie nights, while its unique round chaise and modularity are also ideal for socializing with friends or solitary reading and napping.

EXPLODED VIEW

1.Assembling is best done with electric tools.
2.The assembly process requires 5 square meters of space.
3. It will take approximately 30 minutes.
