

Technical drawing of a rectangular plate with the following dimensions and features:

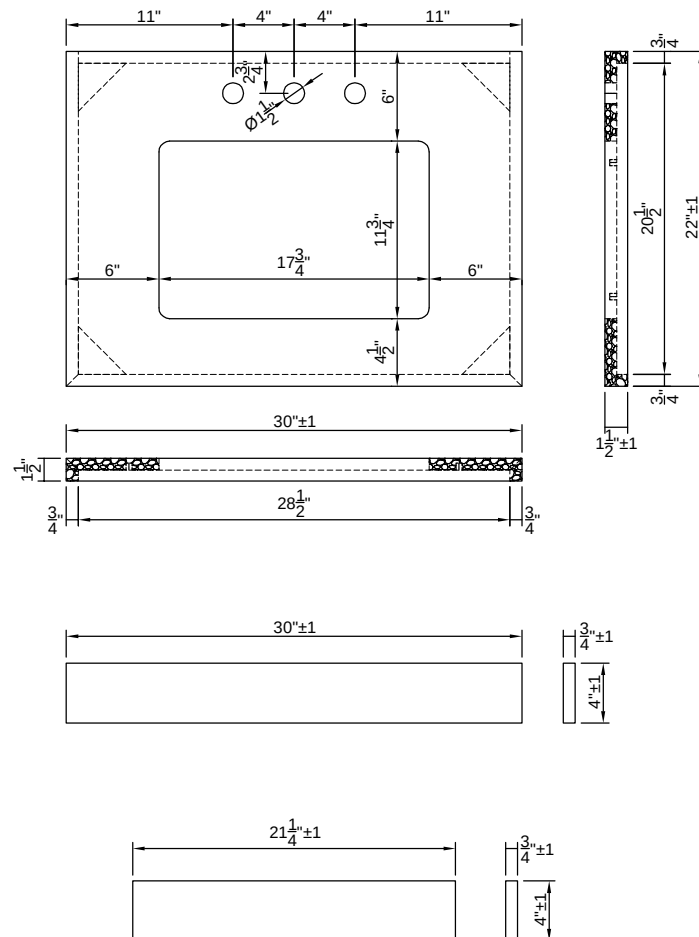

- Overall Dimensions:**
 - Width: 30"
 - Height: 22"
- Internal Dimensions and Features:**
 - Top edge: 11" (left), 4" (middle), 4" (middle), 11" (right)
 - Right edge: 6" (top), 11 3/4" (middle), 4 1/2" (bottom)
 - Left edge: 21 1/4" (inner), 3 1/4" (outer)
 - Bottom edge: 6" (left), 17 3/4" (inner), 6" (right)
- Internal Features:**
 - A central rectangular cutout with a width of 17 3/4" and a height of 11 3/4".
 - Three circular holes along the top edge, each with a diameter of $\varnothing 1 1/2"$.
 - A fillet with a radius of $R 3 3/4"$ at the top-left corner of the central cutout.

A line drawing of a square vanity unit. It features a square countertop with a square sink integrated into it. The sink has a curved front edge and a central drain. Three circular holes are visible on the countertop to the right of the sink, likely for a faucet and handles. Below the countertop, there are two drawers on the left side, each with a horizontal bar handle. The right side of the vanity is a solid panel.
