

## Installation steps:

- 1, Clockwise tighten.
  - 2, Unscrew the screws, reverse the trigeminal frame, and align the holes into the downward clockwise tightening screws.
  - 3, Fix the mounting plate on the ceiling clockwise upward with the mounting plate screw, connect the ground wire and tighten the ground wire screw.
  - 4, The outer ring rotates downward counterclockwise and slides downward, and the ceiling plate slides downward along the crystal head and hanging chain.
  - 5, The crystal head corresponds to the middle of the pendant plate with the threaded tube rotated clockwise upward.
  - 6, The chain clasps lock the ring and the crystal head respectively.
  - 7, Wires from the bottom ring through the chain every 5 clasps through once, in order through the crystal head through the pegboard: black = , white = negative, bare copper ground wire, the corresponding connection.
  - 8, Install the bulbs (not included).
  - 9, After lighting, the ceiling plate from the bottom along the hanging chain pushed upward to the wall, the crystal outer ring the same steps as above, upward clockwise tightening.
  - 10, Hang the wooden ball.
- Notice:**
1. Before installation, please check whether the parts are complete and whether the lamps are in good condition.
  2. Cut off the power supply before installation, and then perform wiring.
  3. Install the lamp body first, and then install the power supply.
  4. Installation and maintenance must be carried out by professional and technical personnel.
