INTRODUCTION

Thank you very much for choosing our product. Please read the instruction carefully before assembly and keep it for future reference. If you need further assistance on assembly, please contact our customer service through email.

Tips:

1. When installing the product, use a soft underlay (such as carpet or cardboard) to avoid scratching or damaging the surface of the product.
2. Don't tighten screws completely at first, just in case parts were assembled wrong and need disassemble. Tighten screws at last when all parts are put together.
3. The structure of this product can not meet the requirements of the placement of heavy items and children climbing.
