

Materials: Natural-finish mango wood top; black steel legs

Everyday Upkeep

- Dust lightly; damp-wipe for fingerprints.
- Dry immediately to avoid watermarking.

Monthly Care

- Clean metal frame with damp cloth + mild soap; dry.
- Condition wood with lemon-free mineral oil on a lint-free cloth.

Preventative Measures

- Fit silicone bumpers between nested tables to avoid scuffs.
- Rotate décor monthly so UV exposure is even.

Seasonal Checks

- Inspect weld points for chips; touch up with matching metal paint.
- Tighten any Allen screws on leg brackets.

Caution X No abrasive scourers X No wax on metal X Lift to separate nests—do not slide.
