CHILDREN BED OPERATING INSTRUCTIONS

ENGLISH

Thank you for your purchase. We hope you and your kids will love it! Please keep these assembly instructions for future reference.

Important:

Safety is our number one concern - please follow these simple safety tips:

Remember to check and tighten bolts/hardware once every few month, as these may loosen with use over time. If you have purchased a bed, chose a low profile mattress for the top bunk (ideally 5" (13cm) or max 8"(20cm)) to maximize safety rail height.

Replacement Parts:

In case there is a problem with your product such as missing hardware, please contact your customer service team from whom you purchased the product, and they will be able to provide you with further information on how to obtain replacements.

Français

Nous vous remercions de votre achat. Nous espérons que vous et vos enfants l'aimerez ! Veuillez conserver ces instructions d'assemblage pour référence ultérieure.

Important :

La sécurité est notre première préoccupation - veuillez suivre ces simples conseils de sécurité :

N'oubliez pas de vérifier et de resserrer les boulons et la quincaillerie tous les deux mois, car ils peuvent se desserrer avec le temps. Si vous avez acheté un lit, choisissez un matelas à profil bas pour la couchette sup érieure (idéalement 5" (13cm) ou max 8" (20cm)) pour maximiser la hauteur du rail de sécurité.

Pièces de rechange :

En cas de problème avec votre produit, par exemple s'il manque des pièces, veuillez contacter l'équipe du service clientèle auprès de laquelle vous avez acheté le produit, qui sera en mesure de vous fournir de plus amples informations sur la manière d'obtenir des pièces de rechange.

Española

Gracias por su compra. Esperamos que a usted y a sus hijos les encante. Guarde estas instrucciones de montaje para futuras consultas.

Importante:

La seguridad es nuestra preocupación número uno - por favor, siga estos sencillos consejos de seguridad:

Recuerde comprobar y apretar los pernos / herrajes una vez cada pocos meses, ya que pueden aflojarse con el uso a lo largo del tiempo. Si ha comprado una cama, elija un colchón de perfil bajo para la litera superior (idealmente 13 cm (5") o 20 cm (8") como máximo) para maximizar la altura de la barandilla de seguridad.

Piezas de repuesto:

En caso de que haya algún problema con su producto, como la falta de herrajes, póngase en contacto con el equipo de atención al cliente al que compró el producto, y ellos podrán proporcionarle más información sobre cómo obtener piezas de repuesto.
