

User Manual

Modern Floor Lamp

Introduction

Thank you for purchasing our modern floor lamp, please read the following instructions carefully before use.

Cautions

1. When opening the package with a sharp tool like a utility knife, take care not to damage the internal components.
 2. Carefully remove all packaging materials and keep them for future use.
 3. Keep all hardware parts and packaging out of the reach of small children.
 4. Do not allow children to play with this product.
 5. Please make sure that the voltage is 100-120V, which is standard for US.
- This product can only be used between 100-120V.
6. Please check whether the packing list is complete.
