

ASSEMBLY INSTRUCTION

Note: Please read carefully and save these instructions, as you may need them at a later date.

IMPORTANT SAFETY INSTRUCTIONS: This product has a polarized plug (one blade is wider than the other) as a feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not alter the plug.

GENERAL: All electrical connections must be in accordance with local and National Electrical Code (N.E.C.) standards. If you are unfamiliar with proper electrical wiring connections obtain the services of a qualified electrician.

Remove the lamp from the box and make sure that no parts are missing by referencing the illustrations on the installation instructions. **To make sure to assemble from base up, otherwise it may break the threaded piping and crook the lamp.**
