

QUARRY, OUTDOOR, WALL MOUNT

DESCRIPTION

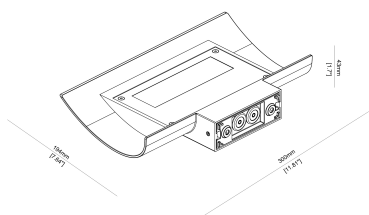

QUARRY sets itself apart with a distinctive swept form that curves gracefully at each end, cradling a broad linear diffuser that directs a generous wash of light upward along the wall. Its sculpted silhouette adds a dynamic sense of movement to any exterior surface while the upward illumination creates a dramatic, atmospheric effect that draws the eye and elevates the façade. Bold in shape yet refined in execution, QUARRY is a fixture that commands a second look.
