

The **Collection** transforms any backyard into an elegant outdoor dining area with its superior quality and warm, rustic charm. This collection includes a variety of dining table options offered in various shapes and sizes that cater to your desired seat quantity and size of your outdoor space. Constructed from durable aluminum frames, each piece is polished with a weather-protective coating that repels moisture and UV harm.

Swivel-action rockers are available as an alternate option to the traditional dining chair. These rockers perform a smooth, 360-degree spin and gentle rocking motion while you enjoy your meal. Each chair features breathable PVC sling fabric that is extremely durable and quick to dry.
