60+6pcs

1pcs

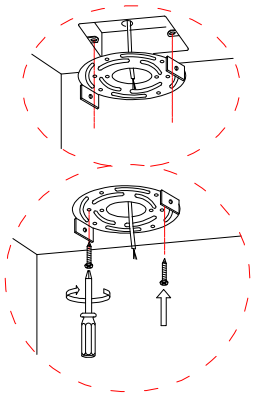

① Lamp assembly:

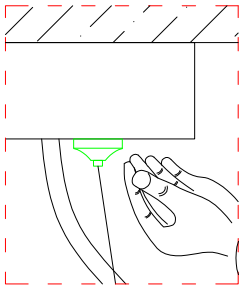

1. Find the lamp body A and C from the picking list, thread the power cord through the center, and tighten the screws on the side
2. Assemble the B branch with the A ceiling mount according to the diagram, thread the wire through in sequence, and secure it.
3. Lock the porcelain blades (D, E) in a staggered manner, and adjust the angle as needed.
4. Insert the light source and tighten the F glass lamp.

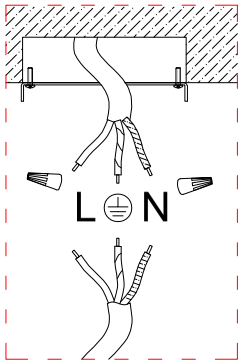

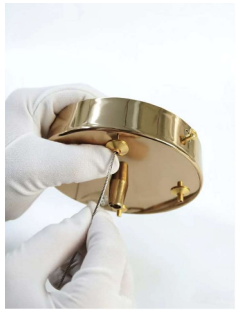

② Overall assembly:

1, Remove the hanging plate from the wall.
2, Connect the main power line with the main lamp line, and tighten the ceiling plate.
3, Hold the tension head, and adjust the height of the lamp according to the site conditions.
4, Hang the porcelain, insert the light source, tighten the lampshade, and the installation is completed.
