\$149.00

Whether you are new to smoking food or looking for a simpler smoking solution, the Char-Broil® Analog Electric Smoker makes creating delicious smoked food easy. With an insulated cook chamber and a large capacity woodchip box, maintaining an even smoking temperature while infusing smoky flavor is simple. An integrated water pan prevents meat from drying out and keeps food perfectly juicy. This smoker includes three chrome-plated cooking grates, which gives you the versatility to cook for a small family or large gathering. The Analog Electric Smoker provides these features and more, all built with sturdy construction and quality materials ensuring that it is made to last.
