- 1.Before use, inspect the power cord and plug for damage. If the power cord is damaged, discontinue use immediately to avoid hazards and contact Culect.
- 2.Do not connect to power until the product is fully installed. Disconnect power before moving the product.
- 3.Avoid the risk of electric shock by never plugging or unplugging the power cord with wet hands.

Cleaning Instructions

As the fabric cover is non-removable, gently wipe any soiled areas with a damp, soft cloth.

Special Notes

This product contains electrical cords/adapters/plugs. Avoid direct sunlight and prolonged use in high-humidity environments.

HOW TO USE

1. Insert the adapter jack into the socket on the back of the massage chair, then plug the adapter into a wall outlet.
2. Turn the unit on by pressing the 'POWER' button once-the LED will illuminate when powered on.
3. Turn on the massage for the zone you desire by pressing the 'BACK', 'LUMBAR', 'THIGH' or 'LEG' button. LED will illuminate the zone activated. To turn off a zone, press the button again.
4. To choose a massage mode, press the 'MODE' button. To change modes, press the 'MODE' button until the LED for the desired mode illuminates.
PULSE: For deep tapping massage
PRESS: Provides rapid tapping massage
WAVE: For a gradual, side-to-side vibrating massage
5. Press the 'INTENSITY' button to change the massage intensity. The HIGH or LOW LED will illuminate for the intensity chosen.
NOTE: Stop using immediately if you feel any discomfort or pain.
6. The massage chair includes an auto shut-off feature.
7. Do not use this chair continuously for more than 60 minutes.
