⚠ **DISCLAIMER: Following installation, refrain from caulking the tub base initially. Securely fasten all connections and thoroughly inspect for water seepage to validate correct installation. Fill and drain the tub multiple times, checking for leaks before applying caulking.**

DESCRIPTION

The Ancerre Designs Coesistere freestanding bath epitomizes a fusion of elegance, strength, and individuality within its cutting-edge design—a seamless melding of beauty and enduring resilience. Boasting an ergonomically crafted tub, it invites a profound and restful soak while ensuring optimal body support. Meticulously handcrafted from forged carbon fiber material in a one-piece seamless construction, this bath assures unparalleled durability. Its graceful lines and straight shroud effortlessly synchronize with a range of bathroom styles, imparting both versatility and refined style to any space.
