

THANK YOU

Sept 1

Prepare 3AA Battery. Open the battery box, install the batteries then close the battery box.

Notice: If you encounter any problems during the use, please contact us as soon as possible. We shall definitely give you a satisfactory solution.

Sept 2

Place the battery box on the back slot of wood board. Note that the LED string lights need to pass through the reserved hole in the middle of wood board to stay in front of the board.

Sept 3

Hang the glass jar on the hook of wood Board. Put the LED string lights into the jar.

Sept 4

Put flowers into the jar. Turn on the switch of battery box, and drive a nail on the wall (nails not included), then hang the rope up. Now enjoy your Soft glow in the house.

Thanks for your support.

We hope you love our product!
May the joy and happiness around you and your family and always.

Instruction Manual

Step 1

Nail the wall where you want to hang mason jar sconces

Step 2

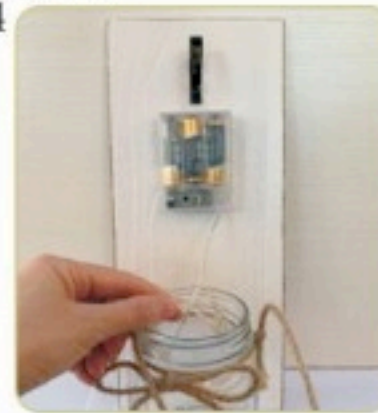

Hang the wooden board on the nail

Step 3

Hang the battery case on the hook

Step 4

Unpack the light strip into the bottle

Step 5

Take out the light strip from the bottle about one-third of the length

Step 6

Insert warm and lovely flowers and decorate them with light strips

Step 7

The lamp is shaped and decorated on the flower, showing the warm mason jar sconces

Tips: The length of the flower stem can be adjusted by yourself.

Thanks for your support.

We hope you love our product!
