

INSTALLATION INSTRUCTIONS:

- 1** Take the product out of the box and lay all pieces on a flat surface. See **Figure 1**.
- 2** Locate the two straight support bars and the openings on both sides of the Buckle n' Go Pet Seat. Insert a straight support bar into both the right and left side of the pet seat. See **Figure 2**.
- 3** Take the hook and loop flap and fold it over to close off the two openings where the support bars were inserted. See **Figure 3**.
- 4** Hold up the Buckle n' Go Pet Seat from both headrest straps as shown to locate the front and the back. See **Figure 4**. The front and back of the pet seat both have nylon straps with fasteners that go over the front and back headrests of your vehicle to securely hold the pet seat into position.
- 5** Your Buckle n' Go Pet Seat can now be installed into your back seat on either the right or left side. First, install the front straps around the front seat headrest making sure to secure the fasteners as shown. See **Figure 5**.
- 6** Repeat this step using the back straps of the pet seat. Install the straps around the vehicle's back seat headrest and secure the fasteners as shown. See **Figure 6**.
- 7** Adjust both sets of straps by either tightening or loosening so that the Buckle n' Go Pet Seat rests flat onto your vehicle's back seat. You can even add your pet's favorite blanket for extra comfort and sense of security.
- 8** Place your pet in their Buckle n' Go Pet Seat and attach the provided lead to their collar or harness. See **Figure 7**.
- 9** Lastly, feed the metal tongue at the other end of the pet lead through the hole in the back side of the pet seat. Chose either the right hole or left hole depending on which side of the vehicle you installed your pet seat. Securely buckle into the vehicle's seat belt buckle. See **Figure 8**.
- 10** Congratulations! You and your pet are on your way to safely enjoying many travels together with your new K&H Buckle n' Go Pet Seat!
