Important Precaution

Before assembly, read these instructions carefully. Assemble the canopy in the location where you intend to use it. 2 or more people are recommended for assembly.

Warning

Keep all flame and heat sources away from this canopy fabric.

Please check with your local regulations prior to purchasing this item. Some municipalities have restrictions and requirements.

This canopy should not be used during heavy wind, ice, or snow conditions.

The accumulation of snow and ice on canopy roof may pose a safety concern. Under severe weather conditions, disassemble your canopy and store indoors. It is strongly recommended that the canopy remain secure to the ground at all times via the base plates and nylon straps supplied. Avoid placing the unit on soft ground and ground that is prone to flooding.

The Canopy should not be used by children under the age of 8 or people with mental disorders. Please do so under the supervision of the guardian if necessary. Please do not allow children to play as a toy with these parts.

*All the optional tools listed above are not included in this product.
