

ASSEMBLY STEPS

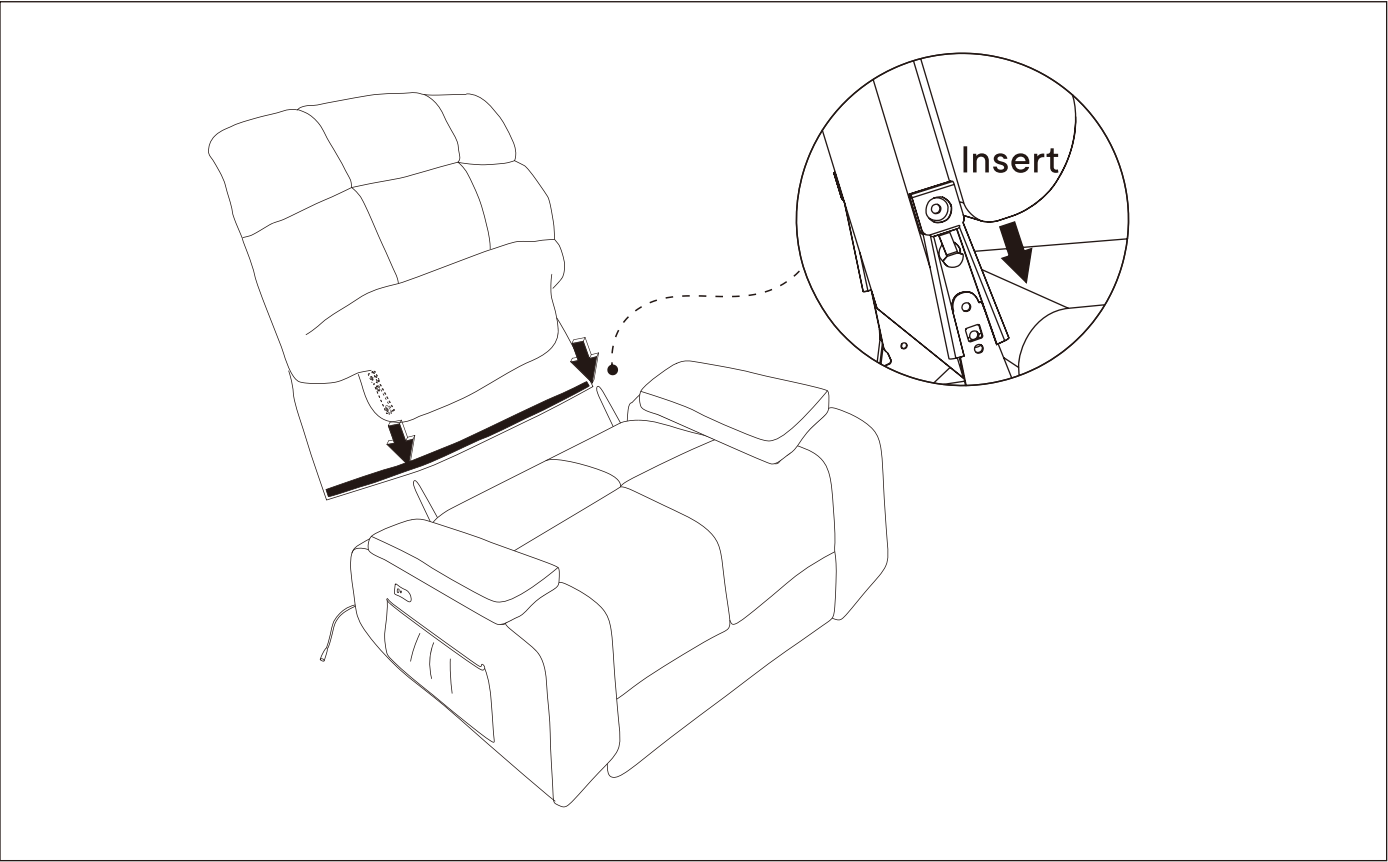

1 Install armrest covers as shown.

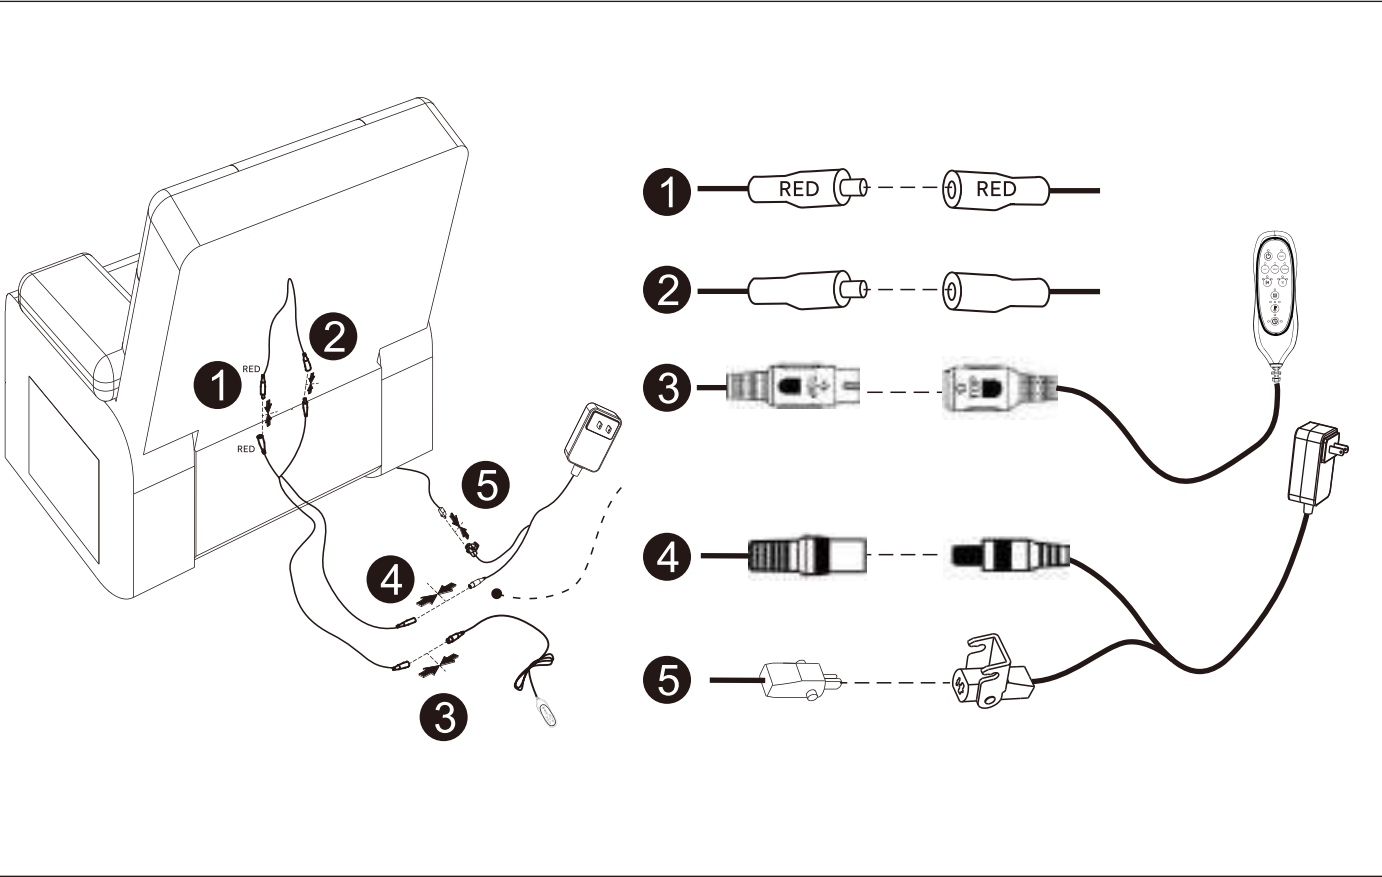

2 Install left and right armrests as shown.

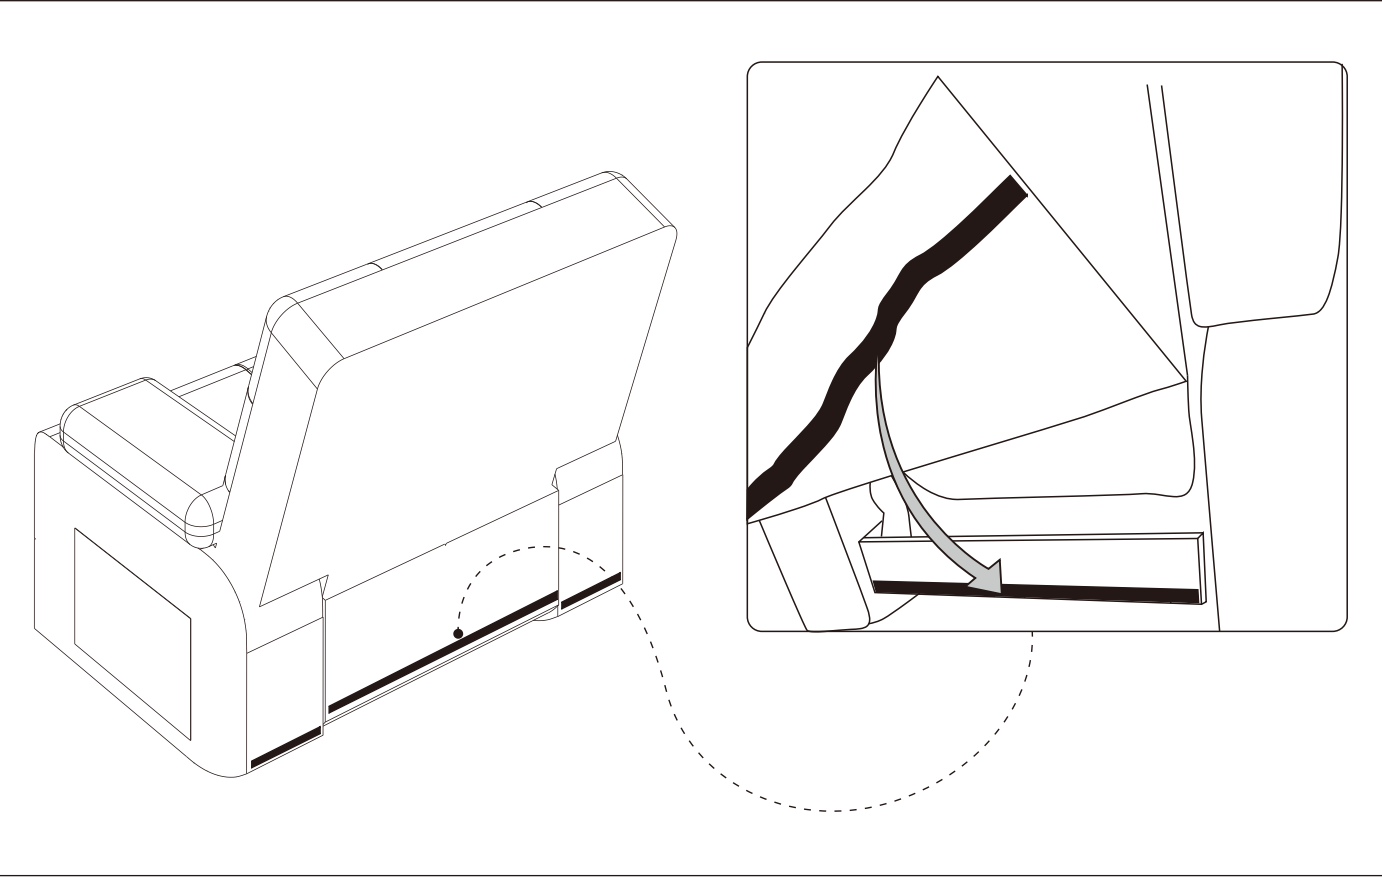

3 Align slots on backrest with connectors on base, push until 'click'.
Hold the top to avoid injury.

4 Connect wiring (BACK / LEG / THIGH / LUMBAR).

5 Attach Velcro strips on backrest.

6 Pull handle to unfold sofa. Align Velcro between backrest and seat cushion, press flat. Plug adapter into power source.
