Magenta Fields 1

D2792S55837-4745

Magenta Fields 1 is an homage to Color Field painting, a prominent subgenre within the broader Abstract Expressionist movement of the mid-20th century. This work on canvas emphasized the allure of unbroken swathes of pure color. Sheets of color in magenta, muted seafoam green, and peach permeate the picture plane. Loops and marks add a playful counterpoint. A lively work of art on canvas, Magenta Fields 1 is a joyful addition to ART by TA.
