

**BLACK+
DECKER**

Model No. BV6000

High Performance Blower/Vac/Mulcher

- BLACK+DECKER's electric lawn and garden equipment releases zero emissions in your yard, helping to reduce your carbon footprint
- This 250 mph blower blows through leaves and debris with ease
- 50% Quieter* for less noise during blowing
- High Impact Metal Fan prevents clogging when mulching, while grinding up to 16 bags of mulch down to one
- Disposable leaf bag system for easy, no hassle leaf disposal
- Includes 2 disposable bags: Simply tie and toss for quick, easy cleanup
- 2 Speed selections for flower beds and powerful enough for matted leaves
- The 12 amp motor 3-in-1 blower, vacuum, and mulcher keeps the yard neat and tidy
- Easily change between vacuum and blower.
- Built-in cord retainer keeps the extension in place and plugged in for uninterrupted use
- *Maximum noise level compared to Black & Decker model LH4500 utilizing EN ISO 3744 sound measurement test procedure

USES

- Blower ideal for clearing driveways, sidewalks, decks, and garages of debris and fall leaves from yard
- Heavy-duty vacuum is ideal for vacuuming leaves, grass clippings, twigs, pine needles, and other lawn debris
