

Installation steps:

1. Connect the main line on the ceiling panel with the wire reserved on the ceiling with the wiring cap (pay attention to the positive and negative connection)
2. Fix the lamp body on the ceiling with the screws on the accessory package
- 3-4; bend the acrylic slightly and insert it into the lamp body

Attention:

1. Please cut off the power supply before installation to prevent electric shock (installation by certified electrician is recommended)
2. Due to the different display, the actual color can be different from the image
3. Due to the manual measurement of lamp body size, there may be a deviation of 1 / 2 inch
4. If you have any questions or lost parts, please feel free to contact us and we will try our best to help you
