

Installation instructions

Thank you for purchasing this series of lighting products.

Please read the installation manual carefully for correct installation.

Note: glass products should be handled with care to avoid damage.

Thank you for your cooperation!

1. Remove the hanging plate and fix it on the ceiling. Pay attention to the hole spacing.
2. Connect the input line to the wiring board, and pay attention to the connection of the access line, live line to live line and zero line to zero line.
3. Connect the ceiling plate with the hole under the hanging plate and tighten it.
4. Adjust the height of the lamp body and lock the M4 screw.
5. Insert the stainless steel needle into the round glass cover and tighten it to fix the glass lamp cover.
6. Turn the bulb on the lamp cap to power on.

Installation steps

As shown in the figure, 1 > 2 > 3 > 4 > 5 > 6
