High Pressure Laminate

Top Side with High Pressure
Laminate as standard

Bottom Side –
High Pressure Laminate

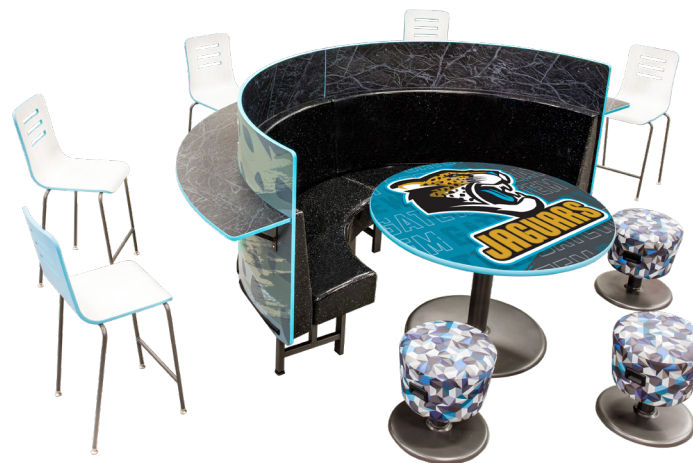

Bottom Side with High Pressure
Laminate as standard

20 Standard Colors (Mix and Match)

Aqua Teal	Burgundy	Light Blue	Purple
Beige	Gold	Light Green	Red
Black	Gray	Navy Blue	Silver
Blue	Green	Orange	White
Brown	Hunter Green	Pink	Yellow

All cores shall be permanently bonded with a high pressure laminate top side and truly balanced with a high pressure laminate bottom side. Edges shall be sealed and protected with 100% solid polyurethane and permanently bonded to the table top. The truly balanced and hermetically sealed table tops are uniquely designed to prevent moisture from entering the core and promote anti-microbial sanitary surfaces after easy cleaning day in and day out.
