

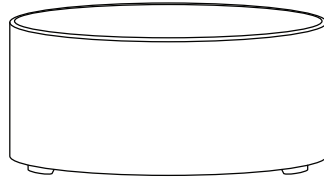

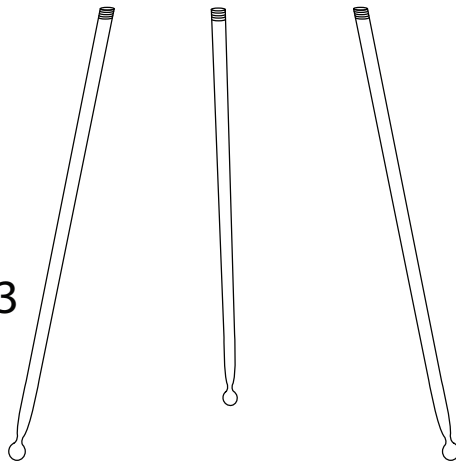

Diagram illustrating safety instructions for assembly:

- Top Box:** Shows a power drill with a diagonal line through it, indicating it should not be used. To the right is a warning triangle with an exclamation mark and a clock icon, with the text **10'** below it, indicating a 10-foot safety zone.
- Bottom Box:** Shows a warning triangle with an exclamation mark. To the left, a circular inset shows a block being placed on a textured surface. To the right, a block is shown with a diagonal line through it and a screw being inserted, indicating that the block should not be placed on a soft surface like a rug. To the right of the box is a person icon and the number **1**, indicating that one person should perform this step.
