MORE COMBINATIONS

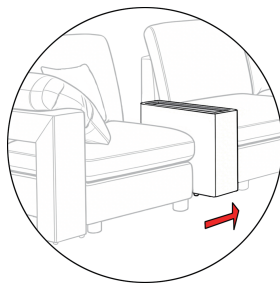

Thanks to its modular design, this sofa allows for endless combinations to suit your space.

Usage Guide: Armrest-Embedded Coffee Table 1、 2

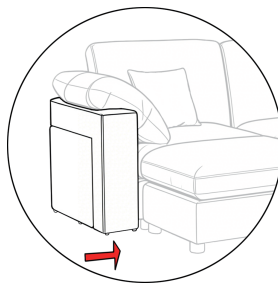

1

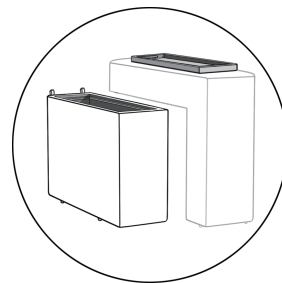

Take it out under the armrest.

Place between sofa modules.

Put it under the armrest when not in.

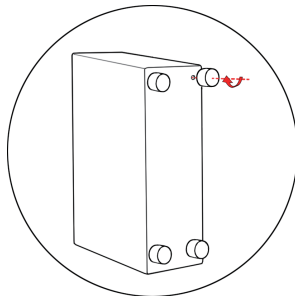

The solid wood tray is detachable for separate use, and the table features internal storage space.

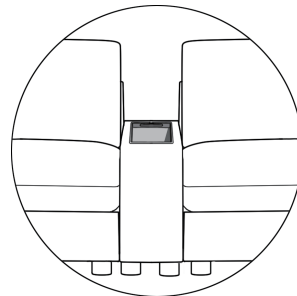

2

Take it out under the armrest.

Install the wooden legs.

Combine together.

Gentle Note

Wooden legs need to be installed if you use the coffee table frequently, which can enhance the height and stability. However, if you want to put it under the armrest, you need to tear down the legs first.

Gentle Note

If you encounter any issues , please feel free to contact us via email.

We are delighted to know that you have successfully assembled your sofa.

We would like to make invitation of you for sharing your using experience and spreading your joy and happiness.

Thanks for your time and patience. We will be right here waiting for you at anytime, anywhere for anything.

Care & Maintenance

- 1) Avoid contact with hot objects, such as boiling water and electric irons, to prevent deformation and damage.
- 2) To avoid scratches, such as knives and scissors, prevent them from getting cut.
- 3) Avoid sun light Shining It directly so as to prevent cover layer from changing color and aging earlier.
- 4) The long-pile fabric is not suitable for hand washing or machine washing. For stains, please dry clean only.
- 5) If the sofa is smelling, please try to air it 24-48 hours and the smell will give away.
- 6) To avoid pilling or deformation of the fabric, do not use violent scrubbing or brushes.
- 7) Please use the specified detergent to wipe and avoid using bleach or bleach containing chlorine prevent fading and aging of the fabric

**Warm tips : Material certified according to OEKO-TEX® STANDARD 100
Every Part of the Fabric has been tested and is harmless to health.**

Thank you 😊
