

Cambridge Tabletop Clock 645829

This handsome wood and glass alarm clock features contoured sides, with wood top and base in a black satin finish. Satin silver-tone plates accent the top and base.

The polished, silver-tone bezel and white dial are suspended in a glass panel. The dial offers Roman numerals, black hour and minute hands with luminous inserts, a quiet sweep seconds hand also in black, and silver alarm hand behind a glass crystal.

Felt bottom protects your desktop.

Quartz, battery-operated, alarm movement includes one AA sized battery.
