

【 Large Work Surface for 1500 Pieces 】 -- The workspace of this wooden puzzle table measures 34.9"x25" and fits most 1500 pieces puzzles. If you love working on large puzzles, this board will significantly improve the experience. The desktop is covered by durable felt that ensures friction and effectively prevents puzzle pieces from sliding or falling.

【 4 Adjustable Tilting Tabletop 】 -- To reduce back and neck pain that occurs during puzzling, our puzzle tables for adults are specially constructed based on ergonomics, so that they can better provide a comfortable position for puzzle lovers. Our puzzleboard can be adjusted to 4 different degrees from 0° to 40° (0.30, 45°, 60°) to tilt or lay according to your usage.
