SAFE INSTRUCTIONS

WARNING

Please read this user manual carefully!

Assembly Precautions

1. Assemble only according to these instructions. Improper assembly can create hazards.
2. Wear ANSI-approved safety goggles and heavy-duty work gloves during assembly.
3. Keep assembly area clean and well lit.
4. Keep bystanders out of the area during assembly.
5. Do not assemble when tired or when under the influence of alcohol, drugs or medication.
6. Weight capacity and other product capabilities apply to properly and completely assembled product only.
7. Assemble on a flat, level, hard and smooth surface capable of safely supporting a fully loaded workbench.

Use Precautions

1. Do not attach or mount this product to a vehicle. This may cause personal injury or product damage.
2. Do not stand or step on this product. You may fall which may cause personal injury.
3. Keep the product on level surfaces. The product may become unstable and tip if stored or moved on an unlevel surface, which may cause personal injury or product damage.
4. Lock the drawers before moving this product. The drawers could come open and make the product unstable and tip, which may cause personal or product damage.
5. Keep children and bystanders away while loading, unloading and moving the product.
6. Do not lift the product directly with a forklift or tow with any mechanical devices.
7. Do not exceed the maximum load capacity, including contents. Do not exceed the maximum load capacity of each drawer. Do not exceed the maximum load capacity of each tray.
8. Do not alter this product in any manner.
9. The box contains some small components; please place them properly before installation to keep them away from kids and ensure safety.
10. Before installing the socket, the desktop should be cleaned to ensure that there are no stains on the desktop. In particular, attention should be paid to not bringing water into the socket so as to avoid safety problems during subsequent use.

CAUTION

Carefully read instructions and procedures for safe operations.

SAVE THESE INSTRUCTIONS

PARAMETERS

Product Name	Workbench
Desktop Size	48"x24"
Maximum Load Capacity	2000lbs
Drawer Size	1000x405x85mm (inside)
Table Height Range	28"-39.5"
Power Strip	120V~ 60Hz, USB (DC5V, 2A)
