

Installation Manual

List of accessories:

Start assembly

1. Remove the right side bracket and install the door stopper with small screws.

2. Remove the laminate and install it with large screws (the laminate with holes facing outward).

3. Install the remaining laminate.

4. Remove the door panel and door mat and install them with small screws.

5. Remove the door bolt and insert it into both ends of the door panel.

6. Take out the installed door panel and clip the door bolt into the groove of the large layer panel.

7. Flip the shelf.

8. Take out the backboard and insert it along the groove.

9. Remove the side bracket and install it with a large screw on the left side.
