

Installation & Assembly

Modern Dresser

Important:

1. One person can easily install the dresser. Of course, two-person installation can be easier and faster.
2. The metal frames have certain degrees of elasticity. Please DO NOT over tighten the screws during assembly. An over tightened screw can cause bent metal frame.
3. For a smooth assembly process, we suggest you keep a lite tightness for all the screws during assembly, after the whole dresser is aseembled , firmly tightening all the screws.
