INSTALLATION STEPS

1. Using screws to assemble “B.Side Panel” with 3pcs of “C.Center Holders”.
Not to fasten screws entirely yet.
2. Using screws to assemble “D.Side Panel” with 3pcs of “C.Center Holders”.
Not to fasten screws entirely yet.
3. Fasten all screws to ensure side panels could attach to center holders tightly.

ATTENTION

1. Carefully lay the item on scratch-free surface, such as carpet or rug.
2. Two or more adult assembly is recommended.
3. Do not fully tighten all bolts until all parts are in place.

Failure to follow these instructions may cause the bolts to misalign during assembly.
