Comments

A changing pad was not supplied with the sample. All testing was conducted without use of a changing pad.

1. EN 12221-1 Clause 4.1 Dimensions

The sample conforms to the dimensional requirements of type 1 changing unit.

2. EN 12221-1 Clause 9 Purchase information

Provision of purchase information is the responsibility of the retailer. The following point of sale information is required by the standard:

- a) for children up to 12 months old or 11 kg in weight.
- b) if a pad is not supplied with the unit, guidance on what changing pad, if any, is to be used and how to affix it in order to provide sufficient barriers;

3. EN 14749 Clauses 5.4.1.1 and 5.4.1.3 to 5.4.1.6 Stability tests

These clauses only apply to free standing units and therefore were not applicable to the sample.
