

Grow Your Living Room Sets!

You've got it – customers want it.

Customers are looking for more bundled options across our Upholstery classes. Get a jump start today to gain market share!

Increase your AOV by expanding in this emerging class

Orders placed within the Living Room Sets class have **+120%** AOV increase compared to traditional standalone classes.

Compel customers to purchase multiple products within the same collection on a single Product Display Page.

Setting Up Living Room Sets

- To create Living Room Sets, follow the step-by step walkthrough in this [Help Center article](#) which provides an overview of composite SKUs.
- **We recommend uploading the individual pieces of the Living Room Set as sellable component SKUs – this way both the components and the composite have their own front-end product pages, doubling exposure!**
