LIMITED WARRANTY

Our Desks are warranted from the date of purchase against failure due to material and workmanship as follows:

- 5 years from the date of purchase.

Grain, color and finishes

Variation of grain and color are natural, inherent characteristics of wood, a living material. This variation is part of the beauty of real wood and anticipated in wood veneer furnishings. Therefore, our furniture is not warranted to match in grain or color or texture. It is a natural phenomenon for wood grain to change in color as it ages, and wood finishes are not warranted for colorfastness.

To make a warranty claim, contact Parts Department. Provide model number, proof of purchase, description of the problem and obtain return authorization. At it's option we will:

- Supply compatible components of current manufacture.
- Repair the customer's component. The customer must prepay freight on any components returned to the factory. Return freight on components still in warranty will be paid.

It is the customer's responsibility to prepay freight on any components returned to the factory. Return freight on components covered by warranty will be paid.

Our quality standards are among the highest in the industry. Sometimes, no matter how hard we try, there are times when parts are damaged or missing. Our Parts Department will do everything possible to promptly remedy the problem. Contact us via e-mail, by Fax, or toll free parts number.
