Return & Support Instructions

DO NOT RETURN TO THE STORE! Contact us directly for quicker assistance.

- **Missing or Damaged Parts:** Occasionally, warehouse handling or shipping may not be as careful as we'd like. If any parts are missing or damaged, **we'll send replacements at no extra cost.**
- **Quality Concerns or Defects:** If the product doesn't meet your expectations or has any defects, you can reach out to us directly through the platform or via email at FuirnexAfterService@outlook.com with your order details and a description of the issue. No matter how you contact us, **we'll respond within 24 hours to assist you.**

Before You Start Assembly

1. **Read the Instructions Thoroughly:** Make sure to review the entire manual from start to finish before beginning.
2. **Have Assistance Ready:** Depending on the product size, two or more adults may be needed for safe and efficient assembly.
3. **Keep Packaging:** Retain all packaging materials until the assembly is complete and you've confirmed that all parts are intact.
Note: Please ensure your hands are clean when opening the internal packaging. If you encounter any stains that can't be cleaned, don't worry—contact us for assistance.
4. **Assembly Tools:** Our package includes convenient assembly tools, so there's no need to purchase anything extra. However, if you have your own preferred tools at home, feel free to use them.

Safety Precautions During Assembly

- **Stable Surface:** Ensure that the product is placed on a flat, stable surface during assembly to avoid accidents or damage to the product.
- **Keep Sharp Objects and Small Parts Away from Children:** Please keep sharp tools and small components out of reach of children to prevent any accidents.

Assembly Guidelines

If you experience any difficulties during assembly that prevent you from continuing:

- **Safely Store All Parts:** Ensure all components are stored in a secure place to avoid loss.
- **Contact Us for Help:** Reach out to us immediately, and we'll provide the support you need to resolve the issue.

Important: Some key parts may be stored in hidden compartments within the product, such as **inside the headboard**. Please inspect these areas carefully to ensure no parts are overlooked.

Screw Installation Instructions

To ensure proper alignment and stability:

1. **Start by Hand-Tightening:** Insert each screw halfway into its designated hole by hand. Avoid fully tightening them at this stage.
2. **Check Alignment:** Once all screws are partially inserted, confirm that the structure is aligned and level.
3. **Secure Screws:** After ensuring proper alignment, fully tighten each screw to securely fasten the product.

We are committed to ensuring your assembly process is as smooth as possible. If you have any questions or need further assistance, please don't hesitate to contact us!

Antes de comenzar el ensamblaje

1. **Lea detenidamente las instrucciones:** Asegúrese de revisar todo el manual de principio a fin antes de comenzar.
2. **Tenga ayuda disponible:** Dependiendo del tamaño del producto, se podrían necesitar dos o más adultos para un ensamblaje seguro y eficiente.
3. **Conserve el embalaje:** Guarde todos los materiales de embalaje hasta que el ensamblaje esté completo y haya confirmado que todas las piezas están intactas.
Nota: Asegúrese de que sus manos estén limpias al abrir el embalaje interno. Si encuentra alguna mancha que no pueda limpiar, no se preocupe; contáctenos para obtener ayuda.
4. **Herramientas de ensamblaje:** Nuestro paquete incluye herramientas convenientes para el ensamblaje, por lo que no necesitará comprar nada extra. Sin embargo, si tiene sus propias herramientas preferidas en casa, puede utilizarlas.

Precauciones de seguridad durante el ensamblaje

- **Superficie estable:** Asegúrese de que el producto esté colocado sobre una superficie plana y estable durante el ensamblaje para evitar accidentes o daños al producto.
- **Mantenga los objetos afilados y las piezas pequeñas fuera del alcance de los niños:** Por favor, mantenga las herramientas afiladas y los componentes pequeños fuera del alcance de los niños para prevenir accidentes.

Guía para el ensamblaje

- **Almacene todas las piezas de manera segura:** Asegúrese de que todos los componentes estén guardados en un lugar seguro para evitar pérdidas.
- **Contáctenos para obtener ayuda:** Comuníquese con nosotros de inmediato y le brindaremos el soporte necesario para resolver el problema.
Importante: Algunas piezas clave pueden estar guardadas en compartimentos ocultos dentro del producto, como dentro del cabecero. **Inspeccione cuidadosamente estas áreas para asegurarse de no pasar por alto ningún componente.**

Instrucciones para la instalación de tornillos

- **Comience ajustando a mano:** Inserte cada tornillo hasta la mitad en su orificio designado a mano. Evite apretarlos completamente en esta etapa.
- **Verifique la alineación:** Una vez que todos los tornillos estén parcialmente insertados, confirme que la estructura esté alineada y nivelada.
- **Ajuste los tornillos:** Después de asegurar la alineación adecuada, apriete completamente cada tornillo para fijar el producto de manera segura.

Quick Start Guide for LED Light System

Step 1: Powering On

Locate the Control Box on the connecting cable between the headboard light strip and the power adapter. Press the universal power symbol button to toggle the lights on or off. This button controls both the activation and deactivation of the light system, allowing you to easily manage the lighting at your convenience.

Step 2: Adjusting Modes

Press the Mode (M) Button on the control box to toggle between the lighting modes. If the lights pulse on and off, do not worry; this is the 'Breathing Mode,' which is designed for a rhythmic illumination effect.

Step 3: Activating the Remote Control

Remove the pull-tab from the battery compartment of the remote control to activate it. This tab is commonly used in electronics to prevent battery drain during storage.

Important Notes:

- 1.If the lights are off upon arrival, they may be in the 'Off' position from testing. Simply press the power button to activate.
- 2.The 'Breathing Mode' may initially surprise new users, but it is a standard feature intended to enhance the ambiance.
- 3.Ensure the pull-tab is fully removed for the remote to function properly.
