

LED DOWNLIGHT

Model No. DLC4-10W100swj

The Euri Lighting LED 4" commercial downlight features a switch on the unit which allows for adjustment of the color temperature 2700K/3000K/3500K/4000K/5000K. This downlight is made for easy installation in new construction, remodel, and retrofit projects. Its 90+ CRI and frosted lens allow for true color rendering to bring out vivid colors throughout, and glare-free lighting making it ideal for commercial use in retail spaces, hospitals, offices, and airports. Features include: dimming option, 5CCT selectable, damp rated, Title24 and Energy Star.
