

# 1 Take the product out of the package

When opening the outer package with scissors or other tools, please be careful not to damage the product inside.

# 2 Tear open the compression bag

You can tear open the compression bag by hand or with tools such as scissors. Please be careful not to damage the sofa bed.

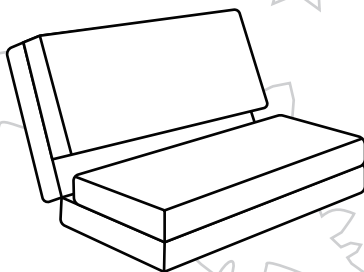

# 3 Leave the sofa bed for a while

After tearing open the compression bag, let the sofa bed stand for **48-72 hours** to restore its original shape.

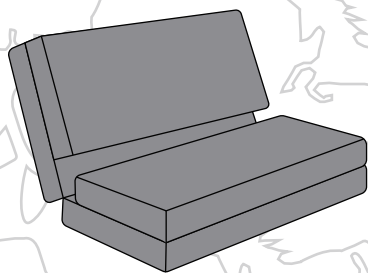

48-72 hours

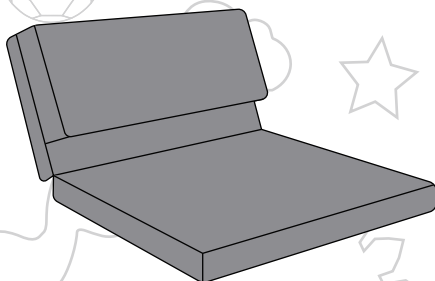

# 4 With four different functions

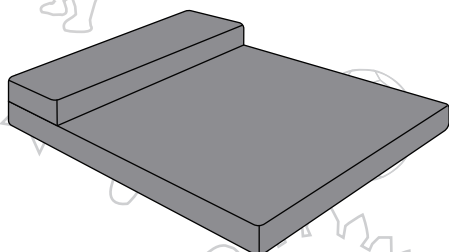

Our sofa bed has four different functions, it can be used as a sofa, bed, and lounge to meet the various needs of you and your family.

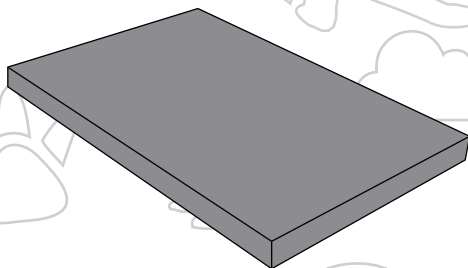

Shape I

Shape II

Shape III

Shape IV

# 5

**Note: Due to long-term compression, the sofa bed will have wrinkles, but don't worry, the wrinkles will gradually disappear during use.**
