

wayfair® | LED Downlight (Ultra Slim)

This ultra-slim LED downlight features tunable white technology with an easy CCT switch for flexible color temperature selection. Its IC-rated driver requires no recessed housing, making it ideal for remodel and new construction applications. The aluminum die-cast frame with powder-coated finish provides durability and corrosion resistance, while edge-lit LED technology and a polycarbonate lens deliver smooth, even illumination. ETL and ENERGY STAR listed. Backed by a 5-year limited warranty.

Application: Living Rooms, Bedrooms, Offices, Lobbies, Conference Rooms, and Other Residential and Commercial Applications.
