

# Full Length Mirror

## Instruction Manual

# 1 Before Assembly

---

## Assembly Tips

- Check the list of contents before assembly to ensure that all parts are included in the package.
- Make sure the wall can bear the weight of the mirror.
- Do not use string or chain to hang the products.

## Care Advice

- Before using, clean with warm water and a soft, lint-free cloth.
- Check all the screws and bolts are tight every three months or as needed.
- Clean with an ammonia-free glass cleaner or detergent.
- Avoid spraying cleaners directly onto the mirror.

### Tools Required (Not Provided)

# 3 Usage Method

---

Standing

Leaning

Hanging

# Step 1

Use a ruler to accurately measure the distance between the mirror's two hooks, then measure and mark the same distance on the wall. Make sure they match perfectly.

## Step 2

Drill holes at the marked positions on the wall. Hammer the Expansion Tube into the holes.

## Step 3

Fix the Screws into the Expansion Tube, leaving about **7mm** of the screws exposed.

# Step 4

Hang the Mirror on the wall.
