Hi. Hello!

Congratulations on your purchase and welcome to the Nurture& family! We hope you love The Bookshelf as much as we do and we are always here to help if any questions arise.

1. To make the assembly process as safe and easy as possible, we recommend that you assemble The Bookshelf with the assistance of another person.
2. Please, be sure to check all packing materials carefully for small parts that may have come loose inside the carton during shipment.
3. Please do not over-tighten screws or bolts.
4. Prior to assembly, we recommend laying all of the parts out on the floor and reading the instructions in advance to ensure that you have everything you need to successfully assemble The Bookshelf.

Caution: Please read instructions thoroughly before unpacking assembly parts and remove any loose staples that may have come loose in the packaging to avoid risk of injury.
