LED

Wall mounted • Wet location listed

## Specifications:

### Description:

This one-light large LED outdoor wall lantern features metal shade that offers an industrial-inspired design. The versatile vintage form can be used in indoor and outdoor applications.

### Construction:

- Metallic Gray (painted)
- Aluminum construction
- LED Module is replaceable
- Flicker-free dimming to 10% brightness with most ELV type dimmers (See Dimming Notes)
- CA Title 24 compliant
- Back plate covers a standard 4" hexagonal recessed outlet box
- Mounting strap for outlet box included
- 6" of wire supplied

### Performance:

|                     |                                                      |
|---------------------|------------------------------------------------------|
| Number of Modules   | 1                                                    |
| Input Power         | 9W                                                   |

## Dimming Notes:

---

This light is designed to be compatible with many Electronic Low Voltage (ELV-Reverse Phase) controls.

The following is a partial list of known compatible dimmer controls:

## Electronic Low Voltage ELV Reverse Phase Controls

---

|        |             |                          |
|--------|-------------|--------------------------|
| Lutron | Diva Series | (Part Number DVELV-300P) |
|--------|-------------|--------------------------|

Digital type dimmers are not recommended.

Dimming capabilities will vary depending on the dimmer control, load, and circuit installation.

Always refer to dimmer manufacturer instructions or a controls specialist for specific requirements.

Dimmer control brand names where identified above are trade names or registered trademarks of each respective company.
