Parts List:

- Leg (2)
- 3" Support (2)
- 36" Plank (2)

Tools Required:
• Rubber Mallet

Exploded Labeled Diagram

ASSEMBLY:

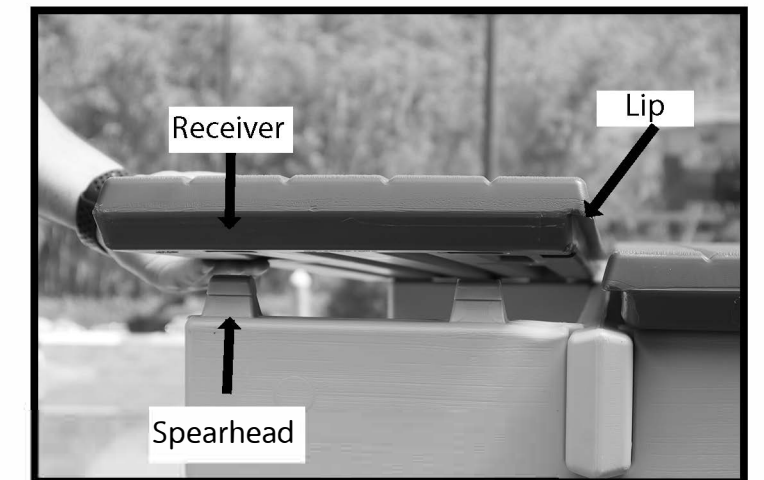

1. Place the 3" support into the bottom of the leg and tap into place with a rubber mallet.

2. Stand the bar upright and install the other leg by placing it over the groove on the 3" support and tap into place.

3. Place the second 3" support in the center slot of the legs. Tap into place with a rubber mallet.

4. Place the 36" plank receivers over the spearheads such that the lip is situated in the middle of the legs. Tap into place with a rubber mallet above the spearhead connections.
