

2 DRAWER BEDSIDE ASSEMBLY INSTRUCTIONS

IMPORTANT FOR DOMESTIC USE ONLY PLEASE READ BEFORE YOU CONTINUE FURTHER CARE AND MAINTENANCE

After unpacking this product please keep the original packaging in case it needs to be returned for any reason.

- Please ensure all fittings and parts are present before commencing with assembly.
- Never drag or push products as this could cause damage to the joints making it inferior.
- We strongly recommend that you keep children away from your work area.
- We recommend that you lay a blanket or sheet on the floor to avoid damage to both your floor and the product.
- Assemble this product as close to its final position as possible.
- Do not place this product next to a radiator or in direct sunlight.
- Do not drag or push items across your high gloss furniture as this may cause the surface to scratch
- Wood is a natural product and may expand if subjected to damp and may shrink or crack if subjected to heat. Therefore it is recommended that room temperature is maintained, with no sudden temperature fluctuations.
- Make sure any spillage is wiped off immediately.
- Do not place hot or chilled items directly on to the surface, use a place mat or marking will occur.
- For general cleaning use a soft cotton or micro fibre cloth, and do not use detergents of any kind.
- From time to time it may be necessary to tighten fittings, regular inspections should be carried out.
- Do not place on a wet or damp floor as staining may occur to your floor.

- * Use of power tools to assemble this product will invalidate any claim and damage this product making it unsafe !!!
- * Please assemble on a clean soft surface to avoid damage.
- * Please check contents and read the instructions before commencing assembly.
- * Assemble this product following the enclosed instructions carefully.
- * Please take care to avoid damaging panels during assembly.

If you wish, after assembly, use a rubber to erase part number "10".
