

FLASK PETITE PENDANT

ITEM NO. PEN-FLA-PT	DESIGNER JEREMY PYLES	DATE 2022	SERIES CONSTELLATION
---------------------	-----------------------	-----------	----------------------

Funneling soft beams of light, the Flask Petite and Flask Grand low-voltage pendant lights are a sophisticated addition to the Constellation Series. The Flask Petite effortlessly cradles light in its convex base. Displaying both Grand and Petite Flask pendants together will create a prominent, yet gentle display of hand-crafted glass. The Constellation Series pushes the boundary of both scale and technology. Each glass shade is suspended from a low-voltage coaxial cable and illuminated by a custom LED source positioned out of sight within a premium metal glass holder.
