

Bacon Products Corporation, a manufacturer, has called Chattanooga, Tennessee home since 1944. Because we are the manufacturer, we can control all aspects of the process. Our hummingbird brand has grown since adding it to our line in 1980 and has become a favorite with our vendors and many families alike. These special hummingbird products are not only attractive but are useful and easy to clean which is a plus for our little hummingbird friends. Manufactured and crafted with quality first class materials, designer graphics to enhance your backyard, and Made in USA, make our hummingbird line the top choice in hummingbird products.
