

# Curled Floating Shelf

Installation Guide for use with Part Numbers: 202109071, 202109072, 202109073, 202109074

Can be mounted directly to drywall but mounting to at least one stud is preferred.

1. Locate and level the unit in place
2. Make small pencil mark on wall at location of hangers
3. Use included fasteners and fix receivers to wall
4. Hangers are preassembled and ready to slide down onto receivers
